## **City Halts Trenton Public Works Projects Funded by Stalled Transportation Trust Fund**

Trenton, N.J. — Five Trenton road reconstruction projects totaling \$2.8 million that were funded by the Transportation Trust Fund (TTF) have been suspended as a result of Gov. Christie's Executive Order No. 210 issued on June 30, 2016.

The five Trenton city projects are as follows:

1. Milling and resurfacing of South Broad Street from Lalor Street to Liberty Street, including the construction of ADA-compliant ramps, sidewalks, curbs and tree planting/removal. TTF Grant Amount: \$507,000
2. Reconstruction of North Willow Street from Bank Street to Pennington Avenue, including the construction of ADA-compliant ramps, sidewalks, curbs and tree planting/removal. TTF Grant Amount: \$572,880.
3. Reconstruction of Ferry Street from South Broad Street to Warren Street, including the construction of ADA-compliant ramps, sidewalks, curbs and tree planting/removal. TTF Grant Amount: \$604, 266.
4. Phase 1 reconstruction of South Clinton Avenue from Greenwood Avenue to Dye Street, including the construction of ADA-compliant ramps, sidewalks, curbs and tree planting/removal. TTF Grant Amount: \$554,075.
5. Phase 2 reconstruction of South Clinton Avenue between Dye Street and Cedar Lane, including the construction of ADA-compliant ramps, sidewalks, curbs and tree planting/removal. TTF Grant Amount: \$634,834.

According to a news release issued by the Governor's Office on July 6, 2016, "In the absence of a legislative solution to replenish the Transportation Trust Fund and consistent with Executive Order No. 210, it is necessary to stop work temporarily on ongoing projects funded by the TTF by 11:59 p.m. on July 8, 2016 for a period of at least seven days."
