

Eric E. Jackson, Mayor

2017-2018 LEAF COLLECTION PROGRAM

BAGGED LEAVES:

Beginning October 30, 2017 through December 29, 2017, bagged leaf collection will take place. Leaves may be placed curbside in brown recycling bags or open rigid containers with handles; plastic bags are unacceptable. No more than 20 bags/containers can be placed curbside with weight not exceeding 50 pounds each. Place leaves at curbside the day after your normally scheduled garbage collection day. If collection day is Saturday, pick-up will be the next business day.

GUTTER LEAVES:

Loose leaves left at the gutter will be picked up October 23, 2017 through January 12, 2018 according to the schedule below. Due to Storm Water Management Regulations (N.J.A.C. 7:8), municipalities are required to follow strict guidelines for minimizing non-point source pollution; therefore, non-containerized leaves shall not be placed in the gutter more than seven (7) days prior to scheduled pick up date, and leaves must be ten (10) feet from storm drains. Please advise landscaping contractors of this law to avoid penalties and fines.

BRUSH/BRANCHES:

Branches must be cut no longer than four (4) feet and twined in bundles not to exceed 35 pounds. Brush must also be twined into bundles. Brush/branches should be placed curbside separate from leaves.

The City of Trenton encourages residents to bag leaves. Bagged leaves expedite collection and alleviates street flooding. Free recyclable bags, for leaves only, are available for pick-up at Solid Waste Management, 707 Calhoun Street, Trenton, NJ, Monday thru Friday between the hours of 8:00 am and 2:00 pm beginning October 10, 2017. Up to five (5) free bags are available per household with identification. Bags will be distributed on a first come, first serve basis.

Leaves mixed with debris will not be collected.

Inclement weather may necessitate changes to the collection schedule.

Please contact the City at 989-3175 or 989-3200 if you require more information.
