Mayor Eric E. Jackson Announces Road Resurfacing Will Begin on Monday

Trenton, N.J. — Mayor Eric E. Jackson announced today that the Department of Public Works plans to repair and resurface close to 40 segments (36,500 linear feet) of city roadways, starting with South Clinton Avenue between Greenwood Avenue and Dye Street.

"Weather and general wear-and-tear have taken a toll on our roads. We are undertaking an aggressive paving initiative to improve some of our city's most damaged streets," said Mayor Jackson. "Additionally, our public-works crews continue to fill more than 100 potholes a day. We will add additional streets to be repaved as resources become available."

Using more than \$3 million—funding from the New Jersey Department of Transportation, a Community Development Block Grant (CDGB), and money allocated from the city's capital budget—the following streets are scheduled to be resurfaced:

North Ward

- St. Joe's Avenue between Sherman and N. Olden Avenues
- Front Street between S. Broad and Stockton Streets
- Clay Street/Greenwood Avenue Cul-de-sac
- Cortland Street between Sherman Avenue and Mulberry Street
- Sheridan Avenue between N. Clinton and Seward Avenues
- Stockton Street between Route 1 exit and E. State Street

- more -
