Public Auction of City-Owned Properties

TRENTON—Mayor Tony F. Mack is pleased to announce that the City of Trenton will be holding a public auction of city-owned properties on Thursday, December 29, 2011 in City Council Chambers. The sale and rehabilitation of these properties will increase the City's tax revenue and eliminate the blighting impact these vacant properties have had on our neighborhoods.

Interested parties should familiarize themselves with the bidder instructions and the terms and conditions of sale prior to attending the auction, as these terms and conditions are strictly enforced. All properties shall be sold subject to the condition that after rehabilitation they must remain owner occupied for a minimum of 10 years.

The bidder instructions are readily accessible on the City of Trenton website www.trentonnj.org or you may call the auction hotline at 609-815-2151.
