**Statement by Trenton Mayor Eric Jackson on Heavy Rain  
and High Winds Forecast for the Trenton Area**

The National Weather Service has forecast heavy rain and 20-55 MPH wind gusts in our area until 7 a.m. on Tuesday. This event poses a significant hazard to our residents and property. Please do not venture outside unless it is necessary. For non-emergency service, the city's Department of Fire and Emergency Services and Trenton Police Department can be reached at (609) 989-4000. **For emergencies, dial 911.** Downed power lines and power outages are handled by Public Service Electric and Gas Company (PSE&G) and can be reported by calling 1-800-436-PSEG. My office is watching this weather event closely and taking appropriate steps as needed. The telephone number for the Office of the Mayor is (609) 989-3030, and the telephone number for the city's Department of Public Works is (609) 989-3165.
