Notes:

- *Pricing valid for 30 Days from Quote Date
- *Prices represent preliminary qualification of services. Actual availability cannot be determined until order placement.
- *This proposal is also contingent upon final engineering and site survey (if required) to confirm facility availability to the specific locations. If special construction necessitates additional charges, the customer will have the option to accept the additional charges within ten (10) business days or cancel the order without penalty.
- *Installation of the service is to the nearest point of entry of Customer's premise ("demarc").
- If Customer requests or requires additional cabling between demarc and Customer's desired entry point, the additional charges to extend the demarc are the sole responsibility of Customer.
- *Spectroltel may quote additional cabling to Customer on a Time and Material basis which Customer may purchase at its discretion. Customer may also purchase this service from a third party.
