RFP 2017-33

This is an official Price Proposal for services under the Humane Care of Animals at the Trenton Animal Shelter (also known as the Bureau of Humane Law Enforcement & Animal Services).

I propose to provide services once weekly on average, with factored exceptions including the shelter being closed for certain holidays or the occasional need to come on an additional day during the week as dictated by the needs of the shelter and staff.

The hourly rate for such services will be \$100.00 and I anticipate an average of 7 billable hours per day that I am present at the Trenton Animal Shelter. If I am at the shelter for 7 hours per week and I am present every week, the yearly cost of services would be \$36,400.00.

Regards,

A handwritten signature in blue ink, appearing to read "Sean J. McWilliams, DVM". The signature is fluid and cursive, with the first name "Sean" being the most prominent.
