- G. Pursuant to NJSA 40A:11-24, the OWNER shall award the contract or reject all bids within the time as may be specified, but in no case more than 60 days, except that the bids of any bidders who consent thereto may, at the request of the contracting unit, be held for consideration for a longer period as may be agreed.

Such termination shall relieve the OWNER of any obligation for balances to the contractor of any sum or sums set forth in the contract.

B. Notwithstanding the above, the contractor shall not be relieved of liability to the OWNER for damages sustained by the OWNER by virtue of any breach of the contract by the contractor and the OWNER may withhold any payments to the contractor for the purpose of compensation until such time as the exact amount of the damage due the OWNER from the contractor is determined.

C. The contractor agrees to indemnify and hold the OWNER harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the contract by the OWNER under this provision.

D. In case of default by the successful bidder, the OWNER may procure the articles or services from other sources and hold the successful bidder responsible for any excess cost occasioned thereby.
