Total Combined Site Area: Approx. 0.26 acres

Current Use: Vacant, developable land, and stabilize or demolish structure

Assessed Total: \$92,400

Site Context:

The site is located near the Trenton Train Station and within walking distance of Trenton Central High School. The area consists primarily of low-density residential properties with opportunities for revitalization through new housing construction.

Development Objectives

The City is seeking proposals that:

- Introduce new residential infill housing that complements the surrounding neighborhood character;
- Provide high-quality, energy-efficient construction;
- Promote homeownership or affordable rental housing opportunities;
- Support neighborhood revitalization and community stabilization goals;
- Demonstrate financial and technical capability to undertake development.

Submission Requirements

Interested parties should submit an Expression of Interest (EOI) including:

1. **Cover Letter:** identifying the respondent and contact information.
2. **Developer Qualifications:** description of prior experience with similar infill or affordable housing projects.
3. **Conceptual Development Approach:** preliminary ideas for site layout, housing type, density, and design style.
4. **Financial Capacity:** description of funding approach and potential partners.
5. **Timeline:** anticipated development schedule.

Submissions should be concise and not exceed 10 pages.

Evaluation Criteria

Responses will be evaluated based on:

- Alignment with City housing goals and neighborhood context
- Demonstrated experience with similar projects
- Feasibility of the development concept
- Community benefits and affordability considerations
- Financial and organizational capacity

This RFI is for information-gathering purposes only and does not constitute a Request for Proposals (RFP) or a commitment to award or convey property. The City may use responses to shape a future RFP or redevelopment solicitation.
