RFP2013-54 ECONOMIC MARKET STUDY
1.0 INTRODUCTION
The City of Trenton (the “City”) is soliciting proposals through a fair and open process in accordance with N.J.S.A 19:44A-20.4 et. seq. for a qualified consultant to conduct a City-wide economic market study (hereinafter the “Market Study”). The Market Study is Phase I of a larger economic development planning process and is intended to address the City’s current economic development prospects and prospects over a longer twenty (20) year horizon. The resulting Market Study will serve as a key resource to inform the decision-making in the development of the Economic Development and Sustainability Element of the City’s Master Plan planning process, as well as for the development of a Comprehensive Economic Development Strategic Plan (Phase II).

BACKGROUND
Trenton is the most central area of the State and serves as New Jersey’s capital city and Mercer’s county seat. The City, while located in one of the most affluent counties in New Jersey, has not been able to boast of a strong economic position for several decades. Once one of the nation’s leading industrial cities, Trenton was the epicenter of business, retail and cultural activity in the region. The City began experiencing decline following World War II when manufacturing companies began closing and moving to other locations. During the 1960’s, Trenton experienced an exodus of middle-income residents and its housing stock deteriorated. Additionally, with the advent of suburban shopping malls, the city’s retail sector declined.

While the 1980’s brought some rejuvenation to the city, the decline from previous years is still present, as the city remains one of the state’s economically distressed cities and the poorest municipality in the county. This is evidenced by data reported from the Bureau of Labor Statistics and U.S. Census. The city has experienced high dropout rates, high unemployment (surpassing the state average and national average) and low per capita income and high poverty rates.

Despite the enormity of the economic challenges facing Trenton, City leaders, residents, property owners and stakeholders share a collective vision of Trenton’s revitalization that builds upon the City’s many assets and opportunities. This revitalization includes a developed waterfront, a diverse workforce and residential population, quality housing stock, a vibrant downtown, high quality
industries and a range of employment options, and options for retail, dining, arts culture and entertainment.

**PROJECT OBJECTIVES**

1. To establish the City of Trenton’s economic baseline; identifying and understanding the City’s current available economic resources and how such resources can be enhanced to accommodate growth.

2. To identify market potential for the City of Trenton with respect to the following market segments: retail, dining/entertainment, arts and culture, tourism and hospitality, government and education, personal and professional services, health care services, innovation and technology, office, housing development, industrial and manufacturing.

3. To quantify future demand for the market segments listed above over a twenty (20) year horizon in terms of non-residential square footage and number of housing units by housing type.

4. To inform the development of a market-based economic development strategy based upon the Market Study. The economic development strategy is intended to be a focused set of market-driven recommendations for diversifying the economy, retaining, expanding and recruiting desired businesses as well as attracting industrial, commercial, residential and mixed use development.
5. To inform the development of a small (and mid-size) business and entrepreneurial development strategy.

6. To inform the development of a business assistance program.

7. To identify issues and implications to be considered during economic policy development.

**SCOPE OF SERVICE**

The successful respondent (the “Consultant”) shall conduct comprehensive research, and provide analysis and recommendations to accomplish the “Project Objectives”. At a minimum, the scope of work shall include but not be limited to the following:

- Interviews with City staff, business and property owners, Council members and other appropriate stakeholders (Chambers of Commerce, educational institutions, business associations, Metropolitan Planning Organizations, etc.) to gain additional insights into market conditions;

- An overview of Population and Demographics, with emphasis on employed residents to jobs ratio, worker in-migration and out-migration patterns, and worker demographics. This portion of the analysis should examine existing and projected population and employed and unemployed residents in the city;

- Employment Trends and Demand Forecast, with an emphasis on examining Trenton’s position within the Mercer County and Greater Philadelphia regional economies. The Market Study should identify key industry clusters and potential locations for growth within the City. The Market Study should further examine the breakdown of employment by industry and regional/local growth trends. Employment growth by industry for the City should be correlated to demand for specific use types (Class A office, office warehouse, industrial/warehouse space, etc.) with associated building square feet. Additionally, the Market Study should identify skills and educational needs necessary to inform a workforce development strategy;

- Industrial, Retail and other Commercial Trends and Forecast including analysis of taxable sales and market capture by retail category. Identification of the City’s existing and potential future
retail role in the surrounding market areas, as well as analysis of the strengths and weaknesses in the City’s retail sectors and potential for growth;

- **Housing Trends and Forecast**, analyzing future demand by unit type. The Market Study should be informed by recent trends in property values, foreclosures and vacancy rates and sales prices. Specific unit types in relation to demographic trends/needs should also be addressed, particularly in relation to the City’s existing housing stock and planned development;

- **Neighborhood Business Environment Analysis**, with an emphasis on the strengths and weaknesses of neighborhood commercial centers. The Market Study should identify neighborhood commercial nodes and examine small locally-owned businesses and their impact on the City as an economic driver and to what extent the City should develop programming to encourage the expansion of small business initiatives;

- **Lifestyle Data Analysis**, with an emphasis on development of product mixes targeted to specific high-potential customer segments;

- **Buying Power and Spending Potential Analysis**, separate analysis should be performed to determine the buying power and spending potential of both the City’s non-resident day market and resident population;

- **Comparative Analysis**, with an emphasis on the City of Trenton’s unique and competitive advantages in relation to the surrounding regions, including but not limited to Mercer County, Bucks County, Central Jersey and the Greater Philadelphia Region.

- A public presentation of findings

G. Pursuant to NJSA 40A:11-24, the OWNER shall award the contract or reject all proposals within the time as may be specified, but in no case more than 60 days, except that the proposals of any Respondent who consent thereto may, at the request of the contracting unit, be held for consideration for a longer period as may be agreed.

Such termination shall relieve the OWNER of any obligation for balances to the contractor of any sum or sums set forth in the contract.

B. Notwithstanding the above, the contractor shall not be relieved of liability to the OWNER for damages sustained by the OWNER by virtue of any breach of the contract by the contractor and the OWNER may withhold any payments to the contractor for the purpose of compensation until such time as the exact amount of the damage due the OWNER from the contractor is determined.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee
- any continuing political committee (s.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county.

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)]. The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirements.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. NOTE: This section does not apply to Board of Education contracts.
"N.J.S.A. 19:44A-3(q): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L. 1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

The CONTRACTOR shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the OWNER grievance procedure, the CONTRACTOR agrees to a proposal by any decision of the OWNER which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the OWNER or if the OWNER incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the CONTRACTOR shall satisfy and discharge the same at its own expense.

The OWNER shall, as soon as practicable after a claim has been made against it, give written notice thereof to the CONTRACTOR along with full and complete particulars of the claim. It is expressly agreed and understood that any approval by the OWNER of the services provided by the CONTRACTOR pursuant to this contract will not relieve the CONTRACTOR of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the OWNER pursuant to this paragraph.

It is further agreed and understood that the OWNER assumes no obligation to indemnify or save harmless the CONTRACTOR, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the CONTRACTOR expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the CONTRACTOR'S obligations assumed in this Agreement, nor shall they be
construed to relieve the CONTRACTOR from any liability, nor preclude the OWNER from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Request for Taxpayer Identification Number and Certification

Name (as shown on your income tax return)

Business name, if different from above

Check appropriate box: □ Individual/Sole proprietor □ Corporation □ Partnership
□ Limited liability company. Enter the tax classification (D-disregarded entity, C-corporation, P-partnership) □ Exempt payee

Address (number, street, and apt. or suite no.) Requester's name and address (optional)

City, state, and ZIP code

List account number(s) here (optional)

Part I  Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II  Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

• An individual who is a U.S. citizen or U.S. resident alien,
• A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
• An estate (other than a foreign estate), or
• A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

• The U.S. owner of a disregarded entity and not the entity,
CHAPTER 25

AN ACT concerning public contracts and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:32-55 Findings, declarations relative to certain public contracts.
1. The Legislature finds and declares that:
   a. In imposing sanctions on Iran, the United States Congress and the President of the United States have determined that the illicit nuclear activities of Iran, combined with its development of unconventional weapons and ballistic missiles, and its support of international terrorism, represent a serious threat to the security of the United States and its allies around the world.
   b. The International Atomic Energy Agency has repeatedly called attention to Iran's unlawful nuclear activities, and as a result, the United Nations Security Council has adopted four rounds of sanctions designed to compel the Government of Iran to cease those activities and comply with its obligations under the Treaty on the Non-Proliferation of Nuclear Weapons, commonly known as the Nuclear Non-Proliferation Treaty.
   c. The human rights situation in Iran has steadily deteriorated since the fraudulent elections of 2009, as evidenced by the brutal repression, torture, murder and arbitrary detention of peaceful protestors, dissidents and minorities.
   d. On July 1, 2010, President Obama signed into law the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010, which expressly authorizes state and local governments to prevent investment in, including prohibiting entry into or renewing contracts with, companies operating in Iran and includes provisions that preclude companies that do business in Iran from contracting with the U.S. Government.
   e. It is the intention of the Legislature to implement this authority granted under Section 202 of the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010.
   f. There are moral and reputational reasons for state and local governments to not engage in business with foreign companies that have business activities benefiting foreign states, such as Iran, that pursue illegal nuclear programs, support acts of terrorism and commit violations of human rights.
   g. Short-term economic profits cannot be a justification to circumvent even in spirit those international sanctions designed to thwart Iran from developing nuclear weapons.
   h. The concerns of this Legislature regarding Iran are strictly the result of the actions of the government of Iran and should not be construed as enmity toward the Iranian people.

C.52:32-56 Definitions relative to certain public contracts.
2. As used in this act:
   a. “State agency” means any of the principal departments in the Executive Branch of the State government, and any division, board, bureau, office, commission or other instrumentality within or created by such department, the Legislature of the State and any office, board, bureau or commission within or created by the Legislative Branch, and any independent State authority, commission, instrumentality or agency which is authorized by law to award public contracts.
   b. “Energy sector” of Iran means activities to develop, invest in, explore for, refine, transfer, purchase or sell petroleum, gasoline, or other refined petroleum products, or natural gas, liquefied natural gas resources or nuclear power in Iran.
d. "Iran" means the government of Iran, and includes the territory of Iran and any other territory or marine area, including the exclusive economic zone and continental shelf, over which the government of Iran claims sovereignty, sovereign rights, or jurisdiction, provided that the government of Iran exercises partial or total control over the area or derives a benefit from economic activity in the area pursuant to international arrangements.

c. "Person or entity" means any of the following:

(1) A natural person, corporation, company, limited partnership, limited liability partnership, limited liability company, business association, sole proprietorship, joint venture, partnership, society, trust, or any other nongovernmental entity, organization, or group.

(2) Any governmental entity or instrumentality of a government, including a multilateral development institution, as defined in Section 1701(c)(3) of the International Financial Institutions Act, 22 U.S.C. 262r(c)(3).

(3) Any parent, successor, subunit, direct or indirect subsidiary, or any entity under common ownership or control with, any entity described in paragraph (1) or (2).

f. For the purposes of this act, a person engages in investment activities in Iran, if:

the person provides goods or services of $20,000,000 or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or

the person is a financial institution that extends $20,000,000 or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to subsection b. of section 3 of this act as a person engaging in investment activities in Iran as described in subsection a. of section 3 of this act.

The State Treasurer shall adopt regulations that reduce the amounts provided for in this subsection if the State Treasurer determines that such change is permitted or required under Section 202 of the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010.

C.52:32-57 Certain persons, entities prohibited from bidding on certain public contracts, maintenance of list.

3. a. A person or entity that, at the time of bid or proposal for a new contract or renewal of an existing contract, is identified on a list created pursuant to subsection b. of this section as a person or entity engaging in investment activities in Iran as described in subsection f. of section 2 of this act, shall be ineligible to, and shall not, bid on, submit a proposal for, or enter into or renew, a contract with a State agency for goods or services.

b. Within 90 days of the effective date of this act, the Department of the Treasury shall, using credible information available to the public, develop a list of persons or entities it determines engage in investment activities in Iran as described in subsection f. of section 2.

c. The department shall update the list every 180 days.

d. Before finalizing an initial list pursuant to subsection b. of this section or an updated list pursuant to subsection c. of this section, the department shall do the following before a person or entity is included on the list:

(1) Provide 90 days' written notice of its intent to include the person or entity on the list. The notice shall inform the person or entity that inclusion on the list would make the person or entity ineligible to bid on, submit a proposal for, or enter into or renew, a contract for goods or services with a State agency; and
(2) Provide a person or entity with an opportunity to comment in writing that it is not engaged in investment activities in Iran. If the person or entity demonstrates to the department that the person or entity is not engaged in investment activities in Iran as described in subsection f. of section 2 of this act, the person or entity shall not be included on the list, unless the person or entity is otherwise ineligible to bid on a contract as described in paragraph (3) of subsection a. of section 5 of this act.

(3) The department shall make every effort to avoid erroneously including a person or entity on the list.

C.52:32-58 Certification required.

4. a. A State agency shall require a person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract to certify, at the time the bid is submitted or the contract is renewed, that the person or entity is not identified on a list created pursuant to subsection b. of section 3 of this act as a person or entity engaging in investment activities in Iran described in subsection f. of section 2 of this act.

b. The certification required shall be executed on behalf of the applicable person or entity by an authorized officer or representative of the person or entity.

c. In the event that a person or entity is unable to make the certification required because it or one of its parents, subsidiaries, or affiliates as defined in subsection e. of section 2 of this act has engaged in one or more of the activities specified in subsection f. of section 2 of this act, the person or entity shall provide to the State agency concerned, prior to the deadline for delivery of such certification, a detailed and precise description of such activities, such description to be provided under penalty of perjury.

d. The certifications provided under subsection a. of this section and disclosures provided under subsection c. of this section shall be disclosed to the public.

C.52:32-59 False certification, penalties.

5. a. If the department determines, using credible information available to the public and after providing 90 days’ written notice and an opportunity to comment in writing for the person or entity to demonstrate that it is not engaged in investment activities in Iran, that the person or entity has submitted a false certification pursuant to section 4 of this act, and the person or entity fails to demonstrate to the department that the person or entity has ceased its engagement in the investment activities in Iran within 90 days after the determination of a false certification, the following shall apply:

(1) Pursuant to an action under subsection b. of this section, a civil penalty in an amount that is equal to the greater of $1,000,000 or twice the amount of the contract for which the false certification was made.

(2) Termination of an existing contract with the State agency as deemed appropriate by the State agency.

(3) Ineligibility to bid on a contract for a period of three years from the date of the determination that the person or entity submitted the false certification.

b. The department shall report to the New Jersey Attorney General the name of the person or entity that the State agency determines has submitted a false certification under section 4 of this act, together with its information as to the false certification, and the Attorney General shall determine whether to bring a civil action against the person or entity to collect the penalty described in paragraph (1) of subsection a. of this section.

Only one civil action against the person or entity to collect the penalty described in paragraph (1) of subsection a. of this section may be brought for a false certification on a
contract. A civil action to collect such penalty shall commence within three years from the date the certification is made.

C.52:32-60 Written notice to Attorney General.
6. The Governor shall submit to the Attorney General of the United States a written notice describing this act within 30 days after its effective date.

C.40A:11-2.1 Civil action brought on behalf of local contracting unit.
7. a. A local contracting unit as defined in and subject to the provisions of the "Local Public Contracts Law," P.L. 1971, c.198 (C.40A:11-1 et seq.), shall implement and comply with the provisions of P.L.2012, c.25 (C.52:32-55 et al.), except that the contracting unit shall rely on the list developed by the State Department of the Treasury pursuant to section 3 of P.L.2012, c.25 (C.52:32-57).
   b. The local contracting unit may also report to the municipal attorney or county counsel, as appropriate, the name of that person, together with its information as to the false certification, and the municipal attorney or county counsel, as appropriate, may determine to bring such civil action against the person to collect such penalty.

C.18A:18A-49.4 Civil action brought on behalf of board of education.
   b. If the board determines that a person or entity has submitted a false certification concerning its engagement in investment activities in Iran under section 4 of P.L.2012, c.25 (C.52:32-58), the board shall report to the New Jersey Attorney General the name of that person or entity, and the Attorney General shall determine whether to bring a civil action against the person to collect the penalty prescribed in paragraph (1) of subsection a. of section 5 of P.L.2012, c.25 (C.52:32-59).

   The board may also report to the board's attorney the name of that person, together with its information as to the false certification, and the board's attorney may determine to bring such civil action against the person to collect such penalty.

C.18A:64A-25.43 Civil action brought on behalf of county college.
   b. If the county college determines that a person or entity has submitted a false certification concerning its engagement in investment activities in Iran pursuant to section 4
of P.L.2012, c.25 (C.52:32-58), the county college shall report to the New Jersey Attorney General the name of that person, and the Attorney General shall determine whether to bring a civil action against the person or entity to collect the penalty prescribed in paragraph (1) of subsection a. of section 5 of P.L.2012, c.25 (C.52:32-59).

The county college may also report to the county college attorney the name of that person, together with its information as to the false certification, and the county college attorney may determine to bring such civil action against the person to collect such penalty.
