Exceptions to the RFP

Reduced Printing Cost

In lieu of furnishing 8 hard copies of the drawing and project manual, spg3 proposes to furnish an electronic copy of the Bid Documents to a vendor of the City's choice in order for Bidders to order drawings at their or the City's cost deduct from Task 3 \$2,000.00

Credit for Previously Contracted Work

The fees provided in Price Form reflect an applied credit in the amount of \$13,300 for those portions of the scope of work contained in this proposal that spg³ is currently under contract with the City to complete including: design of fixture and finish upgrades replacement to the building, sprayground design, and pool improvement design.

Required work added to the project scope

While not specifically called for in the request for proposal, the design of the new pool shell as well as design of the septic system will require geotechnical services including soil borings to determine soil bearing capacity for the pool and infiltration rate testing for the septic field, fees for both of these tests have been included in the fees provided on the Price Form.

Concession Building Septic System (optional)

Design and permitting of connection of existing concession stand septic holding tank to proposed pool building septic system.
Additional cost- \$4,000.00

Scheduling of design work

In order to reduce costs associated with the design and permitting of the Hetzel Pool Facility will be accomplished simultaneously with the work contained within the existing spg³ contract for the remaining portions of the park, thereby eliminating the need for duplicate permitting drawings and procedures.

Fee Information

Clarifications

1. This fee schedule corresponds to the official PRICE FORM provided by the City and is supplementary to it. Signed original Price Form is located in Appendix.

Hourly Rate Schedule

2013-14 hourly rates for McAuliffe + Carroll Architects: Principal, \$185; Project Manager, \$155; Staff Architect, \$115; Intern Architect, \$80 and Support Staff, \$70. Consultant rates are listed separately.

Reimbursable Expenses

Reimbursable Expenses are included in the stated fees.

Form of Contract

We typically utilize the industry standard AIA Owner-Architect Agreements, but understand that certain clients have their own standard contract forms. We reserve the right to have any non-AIA contracts reviewed by our legal counsel prior to the finalization.

Additional Services

Any services not specifically included in this scope of services, but are later required, will be billed on an hourly basis. This specifically includes, but is not limited to, changes in previously approved work, planning or zoning board appearances beyond those noted, revisions to plans beyond those amounts stated in this proposal and daily site representation during construction. All additional services will be approved by Owner in writing prior to commencement.

Payment of Fees

Progress invoices will be sent once services begin. All reimbursable expenses and hourly services will be billed monthly. Invoices are due and payable upon receipt. Beyond fourteen (14) calendar days there can be no assurance of the scheduling priority of the project within the ongoing workload of the firm. Projects with current payment status receive priority commitment of the firm's resources.
