JS The New Jersey Water Environment Association and the New Jersey Department of Environmental Protection authorize Skyline to offer accredited Training Contact Hours (TCH) for our current safety and health training sessions. The additional fee for any training session participants who need to receive the TCH accreditation is \$25.00 per individual employee certificate requested for each training session attended.

JS * Skyline personnel are certified by the American Red Cross to conduct First Aid, AED and CPR Training. Skyline can contract with the American Heart Association to conduct the aforementioned training, if requested by the client.

JS ** Skyline is certified to provide State of New Jersey Motor Vehicle Commission Defensive Driving credit for its training session. Skyline is also certified by the New Jersey Water Environment Association to provide six (6) training contact hours (TCHs) Please note that the Defensive Driving sessions must be six (6) hours long and the maximum number of attendees is limited to 25 employees per the certification agencies.
