66 gallon aluminum fuel tank

PLEASE NOTE:

We are bidding a Mack model GU433. I have listed as many of the specification exceptions as I noticed, but the specifications are proprietary to the International model 7500SFA therefore it is not possible to bid any other truck other than the International 7500SFA without exceptions.

Mack Trucks has a commanding share of the refuse market in North America and the GU433 is more than capable to do the job that the truck described in your spec's is intended to perform. We are bidding the refuse body and plow hitch that are described in the specifications. Please consider this bid as compliant.

*****ALSO: WE ARE BIDDING TWO 2017 MODEL YEAR MACK TRUCKS, NOT 2015 TRUCKS!**
