**FIRE HYDRANT REPLACEMENT CONTRACT BID PROPOSAL**

**Bid Proposal Terms:**

The Item to be bid in this FHR Contract falls in a general category which includes existing OOS hydrant locations that were on record when this contract was submitted and future OOS hydrant locations which are unknown at time of this writing, but will need to be replaced as part of this FHR Contract when they are reported during the term of this contract.

It should be noted that the some of the known OOS replacement hydrants at the inception of this contract may have already been repaired or replaced and put back into service by the time this FHR Contract begins. Listing these known OOS hydrant locations in the contract at this time would not provide an accurate accounting of actual OOS replacement locations. An actual listing of all hydrant replacement contract locations will be provided when this contract begins.

Item #	Hydrant ID #	FD #	CAP	Fire Hydrant Replacement Location Description	Unit Cost	Qty	Total
1	Unknown	Varied	Varied	Existing & Future Fire Hydrant Replacement Locations to be determined	\$ 4200.00	50	\$ 210,000.00
2				Note: If the Unforeseen circumstances portion of this contract is not used, then more fire hydrant replacements can be performed. This item with a unit cost to be listed to the right is a total of Items 2a & 2b.	\$ 36040.00	1	\$ 36040.00
