## FEE PROPOSAL

Brown & Connery is committed to the delivery of the finest quality legal services to our clients. Our law firm is also committed to improving the quality of life in the community in which we live and work -- including improving the level of government services. Brown & Connery would like to assist in the efficient and economic delivery of services. We recognize that local governments and institutions have limited resources and are faced with increasing demand for services. Brown & Connery has, in its prior representation of similar entities, provided its legal services at fee levels that are far less than those usually charged to private and corporate clients. The firm proposes to provide services at an hourly rate of **\$175.00 for all partners, \$135.00 for all other attorneys, \$85.00 for law clerks/paralegals**. These rates are substantially discounted from the firm's usual rates as a courtesy for governmental and public entities.

Billable time would include reasonable time spent in all aspects of client representation, including, but not limited to, telephone conversations, drafting and review of correspondence and other documents, conferences, preparation for and attendance at grievances, mediations, arbitrations, depositions and court hearings, legal research, client meetings, site visits, and travel. Secretaries' time and word processors' time would not be billed. Costs for postage would be billed at the prevailing postage rate.

The firm would charge reasonable costs incurred such as mileage, tolls, copying, facsimile, scanning, long distance telephone calls, postage, electronic research, etc. The firm would abide by all contractual requirements and expense requirements and/or restrictions or limits in such regard.

Our invoices are itemized by date, name of professional, description of service and number of hours, and type and amount of disbursement. Invoices are issued monthly and payment is due within thirty days.

Respectfully submitted,

**BROWN & CONNERY, LLP**
