BASIS OF CONTRACT AWARD

- Unit Prices shall be written in words and figures. Ditto marks are not considered writing or printing and shall not be used. If the amount shown in words and its equivalent in figures do not agree, a determination of intent will be made based on the following.
 - If the Extended total is the correct product of Unit Price in figures and quantity, then Unit Price in figures shall prevail.
 - If the Extended total is the correct product of Unit Price in words and quantity, then the Unit Price in words shall prevail.
 - If the Extended total is the incorrect calculation using either Unit Price in words or Unit price in figures, then the Unit Price in words shall prevail and the Extended total shall be adjusted accordingly.
 - In the case of the correction of the apparent low bid, the bidder will be contacted and given the option to either accept the correction or withdraw their bid.
- The Total Contract Price shall be the correct sum of the correctly extended unit price multiplied by the quantity provided.
- The lump sum price bid for Mobilization is not to exceed the limits outlined in Section 017113. In case of exceedance, the maximum amount for mobilization, for the submitted bid range, will govern and the Total Contract Price will be adjusted accordingly.
- If awarded a contract, the Bidder agrees to comply with NJSA 10:5-31 et seq. and NJAC 17:27.
- It is the intention of the Owner to award the complete project to the lowest responsible bidder inclusive of Base Bid and Supplemental Bid items. In the event there are insufficient funds to support the award of the entire contract, the Owner will select the best basis of award option that meets their budget and project objectives in the following order:
 1. Base Bid + S-2 + S-1
 2. Base Bid + S-2
