5.0 EXCEPTIONS TO THE RFP

Neither Clarke Caton Hintz nor any member of our design team takes exception to any aspect of the RFP for Design Services for the Lighting at the Passage Theater and Alexander Douglass House. That being said, we do believe that review by the Trenton Landmarks Commission is desirable (as a courtesy) and that Project Authorization from the NJ Historic Preservation Office will be required. We have included preparation of the Project Authorization as a "below the line" cost.
