**Exceptions to Bid of Core & Main LP
Submitted to The City of Trenton, NJ
Smart Meter Replacement Project-Equipment Procurement
Bid 2022-60**

Core & Main LP (“Core & Main”) hereby takes exception to the terms of the bid solicitation as stated below. It is the express intention of the parties that, to the extent of the terms of this statement only, it shall supersede and control over the terms of the bid solicitation terms and documents. Core & Main’s bid and its acceptance of any subsequently issued contract is made expressly conditioned on assent by the City of Trenton (“City”) to the following additional or different terms:

1. **Delay/Force Majeure.** Core & Main will use commercially reasonable efforts to deliver meters and endpoints ordered within the time specified in the bid documents or any agreement. Core & Main reserves the right to extend those delivery times based on manufacturer lead times as impacted events beyond the control of Core & Main. Availability is not guaranteed.
2. **Indemnity.** Core & Main’s indemnity obligations to the City or any other person or party shall be limited to claims or damages to the extent caused by Core & Main’s negligence, willful misconduct, violation of law or breach of contract.
3. **Insurance.** Core & Main shall not be required to carry or procure professional liability insurance. Only the City and Engineer shall be named as additional insureds on liability policies, not individual utility customers, and notice to additional insureds of cancellation/termination shall be in accordance with standard policy terms.
4. **SEDs/Prevailing Wage, etc.** The scope of the work for which the City is seeking bids involves no installation labor and there will be no meaningful subcontracting opportunities. Accordingly, all terms and requirements contained in the bid documents applicable to a construction contractor versus a materials supplier, including SED/DBE and Davis-Bacon or other prevailing wage requirements and obligations, are inapplicable and disclaimed by Core & Main.
