DEPARTMENT OF PUBLIC WORKS

**RFP2024-22 DESIGN AND INSTALLATION OF A WAYFINDING SIGNAGE PROGRAM FOR
DOWNTOWN AND CHAMBERSBURG -PROPOSAL OPENING DATE JULY 12, 2024, AT 11:00AM**

The City of Trenton, Department of Housing and Economic Development and Public Works are seeking sealed proposals as A Fair and Open process in accordance with N.J.S.A. 19:44A-20.4 et seq. to seek qualified proposers to design and installation of a Wayfinding Signage Program for Downtown and Chambersburg necessary to improve wayfinding downtown (directing drivers to parking, the train station and other amenities) and in Chambersburg (completing a signage project started in 2021).

INTRODUCTION

WHEREAS, in Chambersburg there was a system of signs directing drivers to restaurants that were no longer in Trenton; and in 2021 the Department of Housing and Economic Development and Department of Public Works completed phase one of updating these signs, leaving phase two yet undone; and.

In downtown Trenton, businesses have requested an updated wayfinding system including signage to show drivers where the parking garages are located to improve the experience for their customers.

In Chambersburg there was a system of signs directing drivers to restaurants that were no longer in Trenton; and in 2021 the Division of Economic Development and Department of Public Works in coordination with Trent's Ferry LLC completed phase one of updating these signs, leaving phase two yet undone.

PROJECT OVERVIEW

DOWNTOWN

PARKING SIGNS SHOULD BE 30" X 30", DIAMOND GRADE REFLECTIVE, .080 MIL ALUMINUM.

Sign installation. It will be the bidder's responsibility to install the new signs in a manner that conforms to prevailing sign installation standards. In some of the locations, signs might be anchored to existing undamaged sidewalks. In other locations, signs installation might require the pouring of a footing in which to secure anchors for the signs. It is the responsibility of the bidder to assess the appropriate method of installation at each of the proposed locations.

Each sign is numbered and says what intersection it goes in, which direction it faces and which direction it points to.

FOUR SIGNS POINTING FROM STATE/WARREN to FRONT STREET GARAGE

1. immediately west of Front Street garage facing west pointing to garage entrance
2. Front and South Warren facing north pointing east
3. State and South Warren facing west pointing south
4. State and South Warren facing east pointing south
- 5.

THREE SIGNS POINTING FROM BROAD to FRONT STREET GARAGE

1. immediately east of Front Street garage facing east pointing to garage entrance
2. South Broad and Front Street facing east pointing west
3. South Broad and Front Street facing south pointing west

FOUR SIGNS POINTING FROM FITCH TO WARREN STREET GARAGE

1. immediately south of Warren Street garage facing south pointing to garage entrance
2. John Fitch Way and Warren facing west pointing north
3. John Fitch Way and Warren facing south pointing north
4. John Fitch Way and Market facing down Memorial Drive pointing down John Fitch Way

TWO SIGNS POINTING FROM EAST LAFAYETTE TO WARREN STREET GARAGE

1. E Lafayette and Warren facing East pointing south
2. immediately north of Warren Street garage pointing to the garage entrance

**THREE SIGNS POINTING FROM BARRACK/ WEST LAFAYETTE TO WARREN STREET
GARAGE**

1. W Lafayette and Warren facing west pointing south
2. Barrack and W Lafayette facing north pointing east
3. Barrack and W Lafayette facing south pointing east

TWO SIGNS SAYING RESTAURANTS THIS WAY

1. 206 and 31 facing north along 206 pointing south down Warren
2. 206 and 31 facing north along 31 pointing south down Warren

CHAMBERSBURG

The first part of the Chambersburg job is to replace signs that were damaged and removed over the course of the past 10 years. The second part is installation of four additional signs promoting the restaurant district itself. Trent's Ferry has devised the following plan. The winning respondent will work with Trent's Ferry in a non-compensated advisory role in which I would confirm which sign plate goes on which set of posts and in which order (There is an attempt to display the closest restaurant and the top and the furthest away at the bottom). Trenton's Ferry will also do reconnoitering to confirm that all the listed restaurants still exist.

PART 1: SIGN REPLACEMENT

Part 1 seeks the manufacture and installation of seven (7) signs comprised of four posts each, a varying number (see chart below) of "restaurant name" placards and die-cut logos affixed to the top of each sign.

Posts extend 84" above grade, with the cut about logo affixed to the top (see image as an example).

Restaurant Name placards are securely affixed between the posts.

Placards are 15" wide and 6" high and made from high quality AZM of sufficient thickness to remain usable for 10 or more years in exposed, exterior conditions.

Restaurant names will be affixed to them using die cut decals (decals are not part of this bid). Space for decals must be at least 13 inches wide.

Sign construction:

Attached images of existing signs reveal that they were constructed using four right-angled posts of heavy-duty aluminum arranged so the acute angles face outwards and to hold the die cut logo and placards between them.

To maintain consistency, it is desirable to re-create (or closely approximate) this design in the proposed replacement signs. Posts, placards and logos should be painted with paint that is appropriate for metal and exterior exposure. Paint that matches the already refurbished signs will be provided by Trent's Ferry, LLC.

A stencil image of the logo is available. A metal version of the logo will be provided to the successful bidder to aid in cutting additional copies. A total of 8 logo pieces are needed (7 for new signs and 1 as a replacement for an existing sign).

Sign installation. It will be the bidder's responsibility to install the new signs in a manner that conforms to prevailing sign installation standards. In some of the locations, signs might be anchored to existing undamaged sidewalks. In other locations, signs installation might require the pouring of a footing in which to secure anchors for the signs. It is the responsibility of the bidder to assess the appropriate method of installation at each of the proposed locations.

DOWNTOWN AND CHAMBERSBURG -PROPOSAL OPENING DATE JULY 12, 2024, AT 11:00AM**

PART 2: WELCOME SIGNS

Part 2 seeks the manufacture and installation of four nearly identical signs alerting motorists and pedestrians to their approach of Trenton's Chambersburg Restaurant District. Bidders may propose to mount these signs on one or two posts as they believe appropriate. Signs should be made from high quality AZM of sufficient thickness to remain usable for 10 or more years in exposed, exterior conditions. A rough draft image of the sign is shown below.

BID REQUEST 2 CHART

Post	Location	Signs Needed (size: ~24" x 30")	Double Sided Display
4 TOTAL SIGNS	Two along S Broad and two along Chambers St approximately ½ block from Roebling Avenue approaching from north or south	1 Sign for each location "Entering Chambersburg Restaurant District (with Logo) see rough work up below)"	No

PROPOSAL REQUIREMENTS

Proposals should include the following information:

1. **Approach**—describing how the respondent will accomplish the scope of work and requirements listed herein.
2. **Qualifications**—showing how the respondent's firm and assigned team members are qualified to provide the scope of work and requirements listed herein.
3. **Project schedule**—showing key task target dates (including deliverables, surveys, community meetings, and team meetings) and estimated task duration.
4. **Fees**—for the entire scope of services with a total “not to exceed” amount listed. Provide an itemized breakdown of proposed cost for each service and hourly rates for all team members to the project. The City reserves the right to negotiate the services and costs based on support from internal staff.

EVALUATION OF PROPOSALS

Proposals will be evaluated by a committee composed of Trenton UEZ staff and Trenton Public Works staff.

The following criteria will be used to evaluate the proposals.

1. The candidate's understanding, approach and plans to meet the requirements set forth in this Request for Proposal. 25%
2. The candidate's qualified previous experience as it pertains to the Scope of Work, particularly similarly funded projects. 25%
3. The cost to perform the services required in this Request for Proposal. 25%
4. The experience and qualifications of project designated personnel, particularly as it pertains to similar projects, as illustrated on staff resumes. 25%
